

Pre-school Keyworker, maternity cover

We need a Level 3 practitioner to join our lively, thriving Pre-school to provide maternity cover. You will be passionate about children's development and helping them develop their potential.

We pride ourselves on providing a fun, friendly and caring service for our children and families. Our setting gives a warm welcome to everyone who enters, and we feel proud when children do not want to leave.

This is a Term time only role to cover maternity leave though there may be scope to extend, depending on circumstances at the time.

At this time we are offering a furlough guarantee. We will match that government scheme so, should the worst happen with Covid, you will get any furlough payment in the same way as any established member of the Teatimers team.

Job Description

Deliver a fun, caring early years education to a high standard within our Pre-school.

- Be an effective Key Worker, jointly responsible for a group of children. Be that special adult who is there for them; add the excitement, well-chosen activity and improvised fun that enables them to flourish.
- Plan engaging activities for your keywork group, observe their achievements and assess their ongoing progress.
- Assist the whole team to create exciting weekly/longer term plans and themes for the setting.
- Ensure each child's progression and continuity of care is monitored through their record of achievement. You will be trained to use our online journal system
- Work as a member of the Teatimers team, establishing a credible and positive working relationship with all the children, staff and families.
- Assist the Pre-School Leader and fellow keyworkers to plan and co-ordinate the care and activities of the Pre-school
- Use both the indoor and outdoor environment to provide a positive, stimulating, context for learning and teaching
- Ensure the safety, security and well-being of all children at Pre-School is maintained at all times.

Hours & Pay

The position is offered as a 39 week contract, up to 35 hours per week (4 - 5 days) as we have some flexibility.

Our Maternity cover pay rate is £9.20 - £9.77 per hour depending on experience.

Other

- Employee assistance program with [Health Assured](#)
- We operate a routine review process to help you develop your career and skills.
- We will train you in First aid, safeguarding and food hygiene as necessary.
- Staff discount if you have a child in our Per-School.
- Additional training to help your development within childcare and early years.
- Uniform is provided (at our expense)
- A DBS check is required. We pay for this and your ongoing subscription to the update service.
